Sherwood Park Elks

Supporting Our Community

Caroline's Cart

Caroline's Cart started in Sherwood Park by a young mom with a special needs daughter approaching Sherwood Park Elks for assistance with a grocery cart that would help her take her daughter with her to grocery shop without having to push a grocery cart and a wheelchair to do her shopping. The Sherwood Park Elks decided to help this young mom to make life easier for her and her daughter. The Elks then turned around and purchased 10 more for the community. When they approached the store, the stores decided to partner with the Elks to place them in stores across Canada to assist families with special needs children. These carts can also assist families with elderly parents as these carts can hold up to 250 lbs.

Gowns for Grads

Sherwood Park Elks partnered with Information Volunteer Centre to assist those young ladies that would like to attend their Grad with a special dress to wear. With the help of the Elks and IVC they have gathered 170 dresses for these young ladies to pick from and take home free of charge. With the County backing us, and all the donations made, we were able to help 30 young girls to be that special princess for a day.

Mother's Day

Sherwood Park Elks celebrating Special Day for all Mom's

Mother's Day was a special treat in the Park as the Elks decided to let all mother's have two special Mother's Day. The Elks held their annual Mother's Day breakfast the week before Mother's Day giving all moms a treat of having two Mother's Day.

Plus all donations made went to the Westbrook Elementary School to assist them with their playground, which will be a playground for everyone to play.

Clean Up in the Park

The Elks set a side an evening to assist in helping keep our community clean. The Elks spend a couple of hours cleaning up Woodbridge Farms Park so that children can play safely in the park.

Sherwood Park Elks Member Recognized as Outstanding Volunteer in the Organization

Leonard joined the Elks of Canada in October of 1998. He joined because his Dad had asked him to, at this time he did not know much about the Elks although my parents were charter members for 30 years. His Dad arranged for him to attend a meeting in Sherwood Park and after he went to the first meeting, the mark it left on his heart, he knew that this was an organization that he would be proud of.

Leonard enjoys being able to assist those less fortunate than himself and having the chance to change someone's life for the better and having the opportunity to further his abilities to become a leader and mentor as well as to assist others to do the same. There are so many memorable moments for Leonard. He tell us the "recently starting with Caroline's Cart with the Sherwood Park Elks and seeing the look on a family members or a child's face when they first get to use the cart to go grocery shopping, meeting great people across Canada, making new friends, and learning how to be a leader.

Supporting our Community

Learning within our Community

Sherwood Park Elks attend Seminars

The Elks had the opportunity to take our members further by having them attend the Grant Writing Seminar and the Funder Form this year. This was a great opportunity for our members to learn more about what is available to assist in making our community a better place to live.

Fall BBQ Oct 3/15

The Sherwood Park Elks will be holding their Annual Steak BBQ again this year. If you are thinking or attending watch for the posters for this event as there are limited number of tickets available.

Children's Halloween Party Oct 24/15

An evening of fun for the whole family to enjoy together. As we call it from cradle to grave, all ages are welcome.

Grey Cup Party Nov 29/15

Join us in cheering on your favorite team. Meet new friends. Celebrate the win.
