

FOUNDATION NEWS

DECEMBER 2015

Welcome to the December edition of the Foundation Newsletter. As I sit here it has finally started to snow and become cold so we must realize that Christmas and winter are with us now, so polish the golf clubs up and practice your curling.

The Foundation Board would like to wish all the Elks and Royal Purple Elks a blessed Christmas and hope that the new year will bring us happiness and prosperity (maybe through the Raffle!!!)

During my travels throughout Southern Alberta, I have been telling everyone about the Raffle but I have been making one small mistake. It is true that the Raffle is for Albertans due to the AGLC regulations and that Alberta Lodges are the only ones who can sell tickets, but there is no reason why the lodges of British Columbia and Yukon, who are part of our Association, cannot access this fund. Keep this in mind while looking around your community for projects.

Once again have a great Christmas and look forward to talking to you in January.

FOUNDATION RAFFLE:

The Raffle is up and running! At this time there have been 6447 books of tickets shipped, and we thank those lodges who are participating. If your lodge was missed or has already sold out and needs more, please contact Gerry at gileprieur@gmail.com for more tickets. Remember, the Raffle is the only source of income for the Foundation other than contributions from our lodges. It is also a bit of a fundraiser for your own lodge as well. Let's do our best to sell all of our tickets before the first Early Bird Draw, which takes place on February 16, 2016. Please remember, as tickets and money are turned in please get them sent back to Gerry as soon as possible.
