

ALBERTA ELKS FOUNDATION FLOAT

We are proud to announce that Stavely Elks #112 have agreed to look after the float for this upcoming parade season. A huge thank you to this Lodge – Elkdom is indeed alive and well in Alberta!!

Because 2017 is Canada's 150th birthday, we expect that many Lodges will want to book the float. Please go to the Alberta Elks Foundation website, download the Float Application and send it in, along with your cheque if you are not going to fill up the truck with fuel, to the Foundation Office. Bookings are first-come, first-served so it is to your advantage to get your application in early.

FOUNDATION GRANTS

Is your Lodge doing a community project or contemplating one? Do you have a family in need of help for one of their children? General applications and Personal Assistance grants may be applied for at any time. Disaster Assistance grants for fires for families with children under the age of nineteen are eligible for a \$500 grant by calling the Secretary-Treasurer and are available anytime.

Tabs for Tots grants, though only approved at the Annual General Meeting, can be submitted at any time. It is best to get them into the Foundation Office early so that if there are any missing documents, they can be obtained prior to the deadline.

Should you have any questions, please do not hesitate to contact the Foundation Office at 403-748-4922 or albertaelksfoundation@shaw.ca.
