

TABS FOR TOTS

A simple and easy way for your Lodge to support the Alberta Elks Foundation, and in particular, the Tabs for Tots Program is by collecting the following:

- Tabs from drink cans (pop, beer)
- Aluminum in the form of pie plates, cooking pans, tart cups
- Foil that is clean and is only foil (must not contain paper or plastic)
- TV dinner trays that are metal
- Pure brass
- Pure copper
- Worn out extension cords can be stripped and the copper recycled

Items such as silver potato chip bags, coffee ground bags, etc. WILL NOT be accepted – these are just silvered colored paper.

Contact Nick Henger at 403-347-3184 or via e-mail at nhenger@telus.net for further information.
