

ALBERTA ELKS ASSOCIATION

NOTICE OF MOTION

TO: Alberta Elks Association Lodges

FROM: Provincial Finance Committee

DATE: March 26, 2018

RE: **PROVINCIAL MEMBERSHIP/AFFILIATION FEES**

In accordance with Regulation R.5.1 of the Alberta Elks Association, all Lodges shall be notified no less than sixty (60) days in advance of the Annual Conference of the Alberta Elks Association, that it may be necessary to increase the Annual Membership/Affiliation Fees of the Association in order to achieve a balanced budget.

Because the final budgets of the Association will not be completed sixty days prior to the opening of the Conference, we are circulating this “Notice of Motion” at this time in accordance with the regulations of the Alberta Elks Association to cover the “**POSSIBILITY**” of an increase.

Any increase or decrease in the Provincial Membership/Affiliation Fee will ultimately be dependent on the final budget as approved by the voting delegates at the 2018 Provincial Conference to be held June 6 – 9, 2018 in Fort Saskatchewan, Alberta and shall be effective January 1, 2018.
