

To Whom It May Concern;

History is being made with Fort Saskatchewan Elks hosting the Alberta Elks Association Provincial Conference June 6th to 9th, 2018. This will be the first time since the Fort Saskatchewan Lodges inception in 1955 that they have taken on the enormous task of hosting the Provincial Conference. We are anticipating 200 delegates and spouses to attend the Conference from lodges across Alberta, BC and the Northwest Territories.

All profits from this venture will be going to our Provincial and National Charities which assists children under the age of 18 access to medical equipment, treatments and adaptive equipment for school and home. The Elks is passionate about giving back to our communities.

In addition, the Fort Saskatchewan Lodge also donates to many local community programs, charities and families requesting support and assistance. The Fort Saskatchewan lodge is very active within the City and recently donated the FIRST Caroline's Cart to the city located at Station Square Co-Op.

We are putting together a booklet highlighting the City of Fort Saskatchewan, it's businesses and amenities. We would appreciate it if your business would consider taking out an ad in our booklet, donating a silent auction item or including any promotional items for our delegates and their guests.
